

## Curriculo Lattes

The screenshot shows a web browser window with three tabs: 'Simple WebSite', 'Plataforma Lattes', and 'Cadastro - Curriculo Lattes'. The main content area displays a form for registering a curriculum. A modal dialog box is open, titled 'www.cnpq.br diz', containing a message about failed registration attempts and a link to the central support page. Below the dialog, a processing bar indicates the system is 'Processing, por favor aguarde' (Please wait). At the bottom right of the main form, there is a link 'Enviar ao CNPq' (Send to CNPq).

The screenshot shows the Overleaf platform interface. On the left, the file structure for a LaTeX CV template is visible, including files like 'committees.tex', 'courses.tex', and 'education.tex'. The main workspace shows the LaTeX code for the 'education' section, which describes a postgraduate degree from PUC-Rio. To the right, the generated PDF output is displayed, showing the academic profile of Luisangel Araujo da Silva, including her education, professional experience, and publications.
